PC-2111

TAKING CHARGE OF YOUR BEHAVIOR GAME

\$49.95

Details

Focus on skills and behaviors common to secondary students in various "real-world" settings

Taking Charge of My Behavior curriculum and game, written by Pat Crissey, focus on skills and behaviors common to secondary students in various "real-world" settings. These innovative tools promote good behavior and provide the skills students need to choose positive actions over inappropriate ones. Curriculum and game can be used together or individually and are beneficial to students who need intervention for managing their own behavior. Teaches common behaviors that will help students build and maintain control of themselves and interactions they have with others.

THINGS PEOPLE DO

\$49.95

Details

A fun, easy-to-play game that builds expressive language skills and life skills by engaging students in discussions about everyday activities

Things People Do, by Rosie Simms, is a fun, easy-to-play game that builds expressive language skills and life skills by engaging students in discussions about everyday activities. The game board features 30 full-color illustration of common activities, such as shopping for groceries, brushing teeth, and using a computer. As students answer key questions about each activity, they enhance their understanding of the many aspects involved in completing the tasks and improve their ability to describe situations using action words.
