

Universal Mounts

Universal mounts include magic and variable friction arms, gooseneck mounts, and lightweight and short arm switch mounts

Item	Description	Photo	Price
<p>Magic Arm IT-MK62</p>	<p>Magic and Variable Friction Arms Mount switches quickly and easily to both of our universal models:</p>		<p>Magic Arm \$215.00</p>
<p>Friction Arm IT-MK61</p>	<p>- Extend to 51cm (20 inches) - Have a clamp that anchors to surfaces, from wheelchairs to table edges - Hold up to 2 kg (4.4 lb)</p>		<p>Variable Friction Arm \$199.00</p>
<p>An order of either mounting system entitles you to choose a free mounting plate (individual plates described below). Fit other devices via female 3/8" or 1/4" standard camera mount threads.</p> <p>Magic Arm (MAG) (left) - one lever tightens up all joints and fixes switch position.</p> <p>Variable Friction Arm (VFA) (right) - tighten the large knob progressively to fix position.</p>			<p><</p>
IT-MK63	Lightweight Switch Mount		\$115.00
<p>A much lighter duty but less expensive switch mounting system. Includes clamp. This order entitles you to choose a free mounting plate.</p>			
IT-MK64	Gooseneck Switch Mount		\$115.00
<p>Very heavy duty and stable gooseneck switch mounting system. Includes clamp. This order entitles you to choose a free mounting plate.</p>			
IT-MK65	Short Arm Switch Mount		\$99.00
<p>Heavy duty, stable, 6" long. This order entitles you to choose a free mounting plate.</p>			
IT-MK71	Small Switch Mounting Plate		\$15.00
<p>A small circular mounting plate which attaches to any of our 5 Universal Switch Mountings via a threaded "camera mount" stud and large plastic lock nut.</p>			
IT-MK72	Medium Switch Mounting Plate		\$15.00
<p>A triangular aluminum mounting plate which attaches to any of our 5 Universal Switch Mountings via a threaded "camera mount" stud and large plastic lock nut. A Traxys Medium Adjustable Pressure Switch can easily be fastened to the plate with the 3 machine screws and wing nuts provided. The 3 holes are drilled at 2.5" centers.</p>			

IT-MK73 Large Switch Mounting Plate

\$15.00

A triangular aluminum mounting plate from AbleNet which attaches to any of our 5 Universal Switch Mountings via a threaded "camera mount" stud and large plastic lock nut. The [Traxsys Large Adjustable Pressure Switch](#) can easily be fastened to the plate with the 3 machine screws and nuts provided. The 3 holes are drilled at 5" centers.

IT-MK74 Camera Mounting Plate

\$15.00

Attaches to any of our 5 Universal Switch Mountings to provide a secure mounting for SLR type camera or standard studio lighting equipment.

IT-MK75 Rectangular Mounting Plate

\$15.00

11" x 4.5", 280mm x 115mm

A rectangular steel mounting plate which attaches to any of our 5 Universal Switch Mountings via a threaded "camera mount" stud and knurled lock nut.

This plate is designed provide a plain steel surface to Velcro-mount a compact keyboard, an AlphaSmart or a standard PC keyboard. Although the plate is drilled to match the standard machine screw tappings in the [Traxys Rollers](#) we would recommend the smaller 8" x 4.5" plate below for these units. 2 machine screws to fit the Roller tappings are included.

IT-MK76 Rectangular Mounting Plate

\$15.00

8" x 4.5", 205mm x 115mm

A rectangular steel mounting plate which attaches to any of our 5 Universal Switch Mountings via a threaded "camera mount" stud and knurled lock nut.

The plate is ideal for screw fixing to medium sized switches, such as the [Traxys Medium Adjustable Pressure Switch](#), or any of the [Traxys Roller](#) range. An AlphaSmart or compact keyboard could be Velcro-mounted on to the steel surface, but the larger 11" x 4.5" plate above would provide more support.

This plate is drilled to mount a [Traxys Medium Pressure Adjustable Switch](#) via the six6nuts and bolts provided. These switches can also be fixed via the alternative set of threaded holes. The plate is also drilled to match the standard machine screw tappings in the [Traxys Rollers](#). 2 machine screws to fit these tappings are provided.

IT-MK77 Rectangular Mounting Plate

\$15.00

7" x 3", 178mm x 76mm
