Including Adapting Math Curriculum, Getting Real Program, High Priority Vocabulary, Home Cooking, Job Search, Learning About Life, etc.

Item	Description	Photo	Price
AC-ADM01	<p>Adapting Math Curriculum 8 progressive skill sets that comply with math standards</p> <p>For students of any age who struggle with learning money math concepts this curriculum provides all the assessments, benchmarks and worksheets you need to tackle a wide range of money/math skills. 8 progressive skill sets are broken down into teachable objectives, with sequenced benchmarks to help students progress at their own pace. Skill Set One, for example, requires students to identify and name coins and bills, while Skill Set Six focuses on counting exact amounts to pay for purchases. Assessments pinpoint student strengths and deficits—use only the worksheets you need. Includes over 200 illustrated, well-crafted worksheets! Authored by Judi Kinney, an experienced special education teacher and curriculum developer. Spiral bound, 330 pp, include a Win/Mac CD with printable PDFs. 2003.</p>		\$69.00
<p>Set 1 PC-0964</p>	<p>Cooking to Learn Motivate students to learn basic reading/writing skills with the fun step-by-step cooking activities & worksheets</p>		All 3 Sets \$189.95
<p>Set 2 PC-1207</p>	<p>Motivate students to learn basic reading and writing skills with the fun step-by-step cooking activities and corresponding worksheets in these three binders. The easy-to-follow recipes offer life-skills experience as students prepare food themselves using common inexpensive ingredients. Each recipe features illustrated and non-illustrated activities to allow teachers to use the same lesson plan with students of varying abilities. Recipes in each binder include a selection of breakfast, lunch or dinner, snack and dessert, and drink choices.</p>		Single Set \$69.95
<p>Set 3 PC-2534</p>	<p>Link to full description, samples, and other options</p>		
AC-BS11	<p>General Curriculum Access Math & Science Package</p> <p>There is increased emphasis on students meeting state academic standards, putting pressure on teachers of students with moderate and severe disabilities. This package addresses that need in the areas of math and science.</p> <p>Aligning IEPs to Academic Standards, by Diane Browder, provides theory and background.</p> <p>General Curriculum Access Math & Science Package, Adapting Math Curriculum: Money Skills, and Math Activity Program books are written by veteran teachers, Laura Breault and Judi Kinney.</p> <p>Books are all available separately (follow their links above for more detail on these products), but buy them in this package and save \$53!</p>		\$199.00

Getting Real Program

A comprehensive academic curriculum for students with cognitive disabilities, grades 7 — adult
Grades 7 - adult

Getting Real Program is a comprehensive academic curriculum for students with cognitive disabilities, grades 7 — adult. The pre-test, instruction and post-test sequence is ideal for IEP success. The 120 daily worksheets are linked to the tests and provide long-term relevant instruction in language arts, math and life skills. Developed by Debbie Semple and Shelia Lechler and implemented in their classroom for 15 years, the program emphasizes functional skills that can be used everyday, like money, time, survival words, check writing, following a calendar and dozens more. Worksheets and tests can be photocopied or printed from the CD-ROM. Spiral bound book, 325 pgs., includes a Win/Mac CD with printable PDF, 2004. Supplement with [Getting Real Manipulatives](#).

Stepping Out Curriculum

Newly updated Stepping Out takes instruction out of the classroom and into the community. Students learn a balanced blend of skills—from shopping to banking to doing laundry—on planned, supervised outings. The curriculum sets lesson plans for 19 standard outings, plus additional personalized activities. A unique collection of 23 Stepping Out Cues help students perform activities without requiring prerequisite academic skills. The cues can be long-term adaptations or faded as skills develop. Dozens of structured classroom activities prepare students for community experiences. Assessments and parent involvement forms help advance community-based instruction goals in the IEP. Print out extra cues and supplemental material from the CD-ROM. Spiral bound book, 285 pgs., includes a Win/Mac CD with printable PDF of cues plus supplemental materials, 2004. Two sets of Stepping Out Cues.
