US History, Law, Government, World History, & Geography

Item	Description	Photo	Price
AC-ASS01 Details	<p>Access Science and American History</p> <p>A standards-based Science and American History program for English language learners and special needs students, grades 7-12.</p>		<p>Science \$39.00</p> <p>History \$39.00</p> <p>Science & History \$79.00</p>
	<p>These two books present concepts in a highly visual format with simplified language and clear, easy-to-follow lessons. Each lesson has three parts: Talk and Explore, Look and Read, and Develop Language. Visual aids, limited text, constant vocabulary instruction and a focus on "big ideas" help struggling readers and ELL students learn essential content.</p>		

Details

This unique binder, written by Kristina Swann, was designed for struggling learners who need help understanding basic geography concepts. The binder breaks each concept into small chunks to help students comprehend geography fundamentals and to develop related skills. Short lessons are followed by multiple practice activity sheets so students can firmly grasp a concept before moving on to the next lesson.

**Details****UNITS**

- **Locations:** Covers maps, grids, latitude and longitude, map projections, and types of maps.
- **Places and Regions:** Covers landforms and water systems, climates, and cultural geography.
- **Movement of People, Ideas, and Goods:** Covers population, migration, transportation, economic geography, world trade, and communication.
- **The United States:** Covers U.S. regions, physical features and climate, people, and natural resources.

Dialogue, Discussion, and Debate: Social Studies

\$24.99

Details

Talk about 12 of the most pertinent cultural issues that students care about

As students grapple with the societal issues around them, they look for ways to express themselves. In your classroom, the best way is Dialogue, Discussion, and Debate: Social Studies.

This groundbreaking volume helps your students (and you) analyze and talk about 12 of the most pertinent cultural issues that students care about, hear about, and want to discuss:
